 **The Continent Song**

North America, South America,
Europe, Asia, Africa,
Australia's down below,
Where the kangaroos all go,
And don't forget Antarctica,
Covered in ice and penguins too.

 **The Earth Song**

Blue oceans waving, green forests tall,
The Earth gives life to creatures small.
The sky, the sun, the air so clean,
Let's keep it fresh, protect its sheen.
Pick up litter, plant a tree,
Help the Earth for you and me.

 **The Planet Song**

Mercury is hot,
And Venus shines so bright,
Earth is where we all live,
And Mars is red at night.
Jupiter is big,
With Saturn's rings of gold,
Uranus spins on its side,
Neptune's icy cold.
We orbit 'round the sun,
Our journey never done,
The planets dance in space,
Each one a special place

 **The Animal Song**

In the jungle, deep and green,
There are animals to be seen!
With a roar-roar here,
And a hiss-hiss there,
Here a swing, there a hop,

Everywhere a stomp-stomp!
In the forest, in the sea,
Animals live wild and free.
With a tweet-tweet here,
And a croak-croak there,
Here a splash, there a dash,
Everywhere a flash-flash!
