#### **Healthy fruits**

Fruits fruits healthy fruits,
We should eat healthy fruits,
To keep us healthy and lengthy,
And make our life very wealthy.

#### Banana, apple, orange, cherry

Banana, apple, orange, cherry,
Mango, watermelon and
strawberry,
All the fruits are my dear,
I wash them very clear,
And eat them without fear.

#### My Shape Poem

A square has 4 sides it's true
And all it's sides are equal too
A circle has no corners at all
And can tell the time or bounce like a ball
But a triangle is the best for me
Because I can only count to 3
